Instructions

The Roll Out Awning is erected easily in a matter of minutes and can be attached to both Pop Tops and Caravans.

If your Roll Out Awning is attached to a Pop Top pop the roof up first then follow the rest of these instructions.

Level your Pop Top or Caravan by finding a level surface on the van close to the wheels then adjusting jockey wheel.

OPENING

>> Undo the arm storage locks.

>> Undo the top locking knob - remember not to undo the knobs so it falls off.

>> Move the brake lever on awning from closed to open.

>> Pull on the strap on the awning until it is open.

>> Slide the top awning arm until it locks into the latch.

>> Lift the handle and raise the awning arm.

>> Apply pressure to the top arm and tighten the top locking knob.

>> Slide the strap out of the track and place it in a safe place.
